

Good day,

I wish to receive a quick response from you regarding my letter to you. I am Mr. Ali Alshujairy from Syria I am interested in proposing for buying properties in your country if you can accept to help me. I would like to learn more about your country's culture, infrastructure and other interesting lucrative business projects. Please tell us more about your economic statistics of your country and the policy of foreign investments of your government.

I will like more information about these agenda so that I can learn more about the investment project in your country and clarify your project plan.

We are waiting for your cooperation.

Regards,
